About...

RAMSEY LEWIS

Ramsey Lewis first captivated fans with his first album "Ramsey Lewis And The Gentlemen of Swing" by the Ramsey Lewis Trio in 1956. By 1965, he was one of the nation's most successful jazz pianists, topping the charts with "The In Crowd," "Hang On Sloopy" and "Wade In The Water."

Mr. Lewis has three Grammy Awards and seven gold records to his credit. Often called legendary, Mr. Lewis concedes "It's a high honor when someone says so, but I don't see myself that way. What keeps me enthusiastic and energizes me, is the realization that the more I learn, the more I find there is to know."

Mr. Lewis received the industry award for the 2006 Stellar Award for Best Gospel Instrumental Album, "With One Voice" presented in January 2007. He was also the recipient of the National Endowment for the Arts Jazz Masters Award in January 2007. Mr. Lewis has received four (4) honorary doctorate degrees and numerous other accolades.
