Dear Table Sponsor:

Give your most valuable clients, customers or future prospects an evening to remember, *A Jazz Holiday*. With this premier event featuring one of the world's great jazz composers the evening will begin with a three-course meal and continued with a live performance by the legendary Ramsey Lewis Quartet---all in the beautiful ambience of the newly renovated Greenville Convention Center. Promote your business or organization, or incentivize your workforce with this exceptional premium to kick-off the New Year.

East Coast Jazz Revue is proud to open its 2016 performance series in the Greater Greenville, North Carolina Region. Thank you in advance for being a Table Sponsor and supporting Greenville's rich tradition of great jazz and the arts!

See you at *A Jazz Holiday*, a night you'll always remember, Friday, January 15, 2016.
